VISUAL BUBBLE WALLS™

Once filled with water and turned on they provide a peaceful and constant flow of bubbles which float up inside the wall. The lights can either slowly rotate through a spectrum of colours or remain as a single colour these screens have a variety of applications they can be locked together to create a wall or partition, used against a wall as an architectural visual display of light and movement, a reception feature or to create a whole room of bubbles and light (create a VIP lounge), hotel entrance lobby, Exhibition stands, Point of sale and more....

VARIETY OF ZEN COLOR THEMES:

- Blue -** A touch of the sea is captured in the uniquely shaped, zen ocean-theme bubble wall. Blue represents truth, wisdom, heaven, eternity, devotion, tranquility, loyalty and openness. The presence of this color in your bubble wall, may symbolize your spiritual guide and your optimism of the future. You have clarity of mind.
- Red -** A touch of the volcanic molten lava is captured in the uniquely shaped, zen lava-theme bubble wall. Red is an indication of raw energy, force, vigor, intense passion, aggression, power, courage and passion. The color red has deep emotional and spiritual connotations.
- Green -** A touch of the outdoors is captured in the uniquely shaped, zen Green-theme bubble wall. Green signifies a positive change, good health, growth, fertility, healing, hope, vigor, vitality, peace, and serenity. Green is also symbolic of your strive to gain recognition and establish your independence. Money, wealth and jealousy are often associated with this color.
- Gold -** A touch of wealth is captured in the uniquely shaped, zen Wealth-theme bubble wall. The golden color reflects your spiritual rewards, richness, refinement and enhancement of your surroundings.
- White -** A touch of peace is captured in the uniquely shaped, zen Clarity-theme bubble wall. White represents purity, perfection, peace, innocence, dignity, cleanliness, awareness, and new beginnings.
