

GALAXY ACRYLIC SHELVES™

GENERAL LED LIGHTED SHELF

These clear acrylic shelves can be used for just about anything; bars, restaurants, kids rooms, office, kitchens or anywhere in and around your home, office and restaurant. All shelves are produced from 3/4" thick acrylic material.

WAVE FINISH LED LIGHTED SHELF

The perfect acrylic display for your needs. Impact lighting inc. Offers a variety of custom made wave acrylic displays for virtually any use. Wave acrylic shelves are attractive and can last a lifetime when properly cared for. Please feel free to contact us about your needs for a wave designed acrylic shelf.
